

American Dog Obedience Center, LLC
Norman, Oklahoma
IN THE HEART OF AMERICA
THE PREMIER VACATION BOARDING SCHOOL FOR DOGS
SERVING OKLAHOMA AND SURROUNDING STATES SINCE 1979

ENROLLMENT INFORMATION

Enrollment is easy. **Just call 405 364 7650.** First, we want to be sure that your expectations are in line with ours. During our conversation we'll

- Record contact information
- Schedule a time for your dog to arrive and a time for your changeover lesson at the END of the 3-week boarding school period. Please allow 2 – 3 hours for your change-over lesson
- Discuss your payment preference

WHAT TO BRING

- A shot record or letter from your veterinarian stating that your dog's shots are current, including a current, veterinarian-administered rabies shot. Kennel cough preventative is suggested, if your veterinarian so recommends. You must discuss with us, in advance of arrival, ANY veterinary prescribed treatments or medicines (other than parasite preventatives as described below) your dog will require while staying with us.
- Dogs must be tick and flea free, and should be on a tick preventative. We are surrounded by woods, and deer (major hosts to ticks) are common.
- Parasite preventatives (heartworm, flea, tick, etc) that come due while your dog is here should be placed in an envelope or baggie with your dog's name and date to be administered.
- Enough of your dog's food for 3 weeks. We don't want to change your dog's formula for 3 weeks and then have it changed again when your dog goes home. Please tape a note onto the dogfood bag which tells us IN CUPS how much to feed your dog, each of two feedings per day. *Please note: if your dog eats 3 cups or more per day (1 ½ cups or more, twice per day), s/he will require more than one 20-pound bag of food. We'll send home unused food.*
- PAYMENT ~~ Check or cash at drop-off – or credit card online payment prior to drop-off. Clients paying via check or cash may pay half at arrival and the last half after the changeover lesson, prior to leaving with dog.
We are not set up to accept credit cards on site. HOWEVER, if you prefer to pay by credit card, we will email a PayPal invoice IN ADVANCE of your dog's arrival which can be paid online using a credit card. PayPal receipt of full payment for credit card enrollments must be received prior to dog's arrival. You must tell us prior to enrollment that you wish to use this service. There is a \$100 service fee for cancellations of PayPal credit card enrollments – for any reason.
- OPTIONAL – chew toys, or toys for inside the kennel.
- OPTIONAL – a pillow or quilt for kennel bedding. Note that dogs often destroy their kennel bedding.
- OPTIONAL – treats. We use our own treats during training. If there is something your dog enjoys, send it along and we'll use it as a "good-night" snack.
