THE PREMIER VACATION BOARDING SCHOOL FOR DOGS
SERVING OKLAHOMA AND SURROUNDING STATES SINCE 1979

WHAT TO BRING

- A shot record or letter from your veterinarian stating that your dog's shots are current, including a current, veterinarian-administered rabies shot. Kennel cough preventative is suggested, if your veterinarian so recommends.
- YOU MUST DISCUSS WITH US, IN ADVANCE OF ARRIVAL, ANY TREATMENTS OR MEDICATIONS (other than parasite preventatives as described below) your dog will require while staying with us.
- Dogs must be tick and flea free, AND on a tick preventative unless your veterinarian specifically suggests otherwise. We are surrounded by woods, and deer (major hosts to ticks) are common.
 - Parasite preventatives that come due while your dog is here should be placed in an envelope or baggie with your dog's name and date to be administered.
 - Enough of your dog's food for 3 weeks. We don't want to change your dog's formula. Bring what your dog has been eating. TAPE A NOTE onto the bag which tells us IN 8 oz CUPS how much to feed your dog, each of two feedings per day. *Please note: if your dog eats 3 cups or more per day (1 ½ cups or more twice per day), s/he will require more than one 20-pound bag of food. We'll send unused food home.*

OPTIONAL

- Toy(s) and/or chews for inside the kennel.
- Pillow, pad, or quilt for kennel bedding. Note that dogs often destroy their bedding.
- Treats. We use our own treats during training unless directed not to. If there is something your dog enjoys, send it along and we'll use it as his/her "good-night" snack.

PAYMENT

Currently the cost of a 3-week program is \$1800. This includes board, training, collar, magic carpet, and it includes OK State sales tax on product. Our cost for product and sales tax included within enrollment totals about \$225. At least half of payment is required at drop off and remainder must be paid before your dog leaves us. Of course, you may choose to pay entire fee up front.

We accept cash, checks, or credit cards.* Our system supports "signature debit cards" (i.e., cards that have credit card logos on them and can be used like credit cards). Our system does not support PIN-based debit cards and so we cannot accept those. We can also email PayPal invoices which can be paid in advance through PayPal online using your preferred method of payment.

DISCOUNTS: We are pleased to offer a **\$100 discount to active and former military personnel**. We also offer a \$100 discount to former clients whose other dogs have attended American Dog Obedience Center's boarding school.
