SERVING OKLAHOMA AND SURROUNDING STATES SINCE 1979

AT LEAST 24 HOURS PRIOR TO ARRIVAL

Email to Kris@DogPrograms.com a shot record or letter from your veterinarian stating that your dog's vaccinations are current, including a current, veterinarian-administered rabies vaccination. Kennel cough preventative is suggested, if your veterinarian so recommends .

YOU MUST DISCUSS WITH US, IN ADVANCE OF ARRIVAL, ANY TREATMENTS OR MEDICATIONS (other than parasite preventatives as described below) your dog will require while staying with us.

- Dogs must be tick and flea free, AND on a tick preventative unless your veterinarian specifically suggests otherwise. We are surrounded by woods, and deer (major hosts to ticks) are common.
- Parasite preventatives that come due while your dog is here should be placed in an envelope or baggie with your dog's name and date to be administered.

BRING WITH YOU

Enough of your dog's food for 3 weeks. We don't want to change your dog's formula. Bring what your dog has been eating. TAPE A NOTE onto the bag which tells us IN 8 oz CUPS how much to feed your dog, each of two feedings per day. *Please note: if your dog eats 3 cups or more per day (1 ½ cups or more twice per day), s/he will require more than one 20-pound bag of food. We'll send unused food home.*

OPTIONAL

- Toy(s) and/or chews for inside the kennel.
- Pillow, pad, or quilt for kennel bedding. Note that dogs often destroy their bedding. Your dog will have a cot and a crate without a door on it in the kennel with him/her.
- Treats. We use our own treats during training unless directed not to. If there is something your dog enjoys, send it along and we'll use it as his/her "good-night" snack.
